About Spirit AeroSystems, Inc.

Based in Wichita, KS, Spirit AeroSystems is the world's largest independent supplier of commercial airplane assemblies and components. In addition to its Kansas facility, Spirit has locations in Tulsa and McAlester, OK, Prestwick, Scotland, and Samlesbury, England, and is developing new manufacturing facilities in North Carolina and Malaysia.

In the U.S., Spirit's core product base includes fuselages, pylons, nacelles and wing components. Additionally, Spirit provides aftermarket customer support services, including spare parts, maintenance/repair/overhaul, and fleet support services in North America, Europe and Asia. Spirit Europe produces wing components for a host of customers, including Airbus.
